### **Office Messages**

Our answering machine is on 24/7, please leave a message when your child is going to be absent from school. It is a parent's responsibility to call the school every day when your child(ren) will be absent from school. Habitual lateness is very disruptive to your child's classmates and teacher. Please be respectful and have your child to school on time. Communication is streaming mostly through email and voice recognition. Updated contact information is continuously needed in order to reach parent(s) if an emergency arises. Thank you to for your attention to this request.
