## SCHOOL CASH ONLINE

**J**ust a note to clarify any confusion regarding pizza, subs and yogurt sundaes. Order forms are no longer required to be sent home in lieu of the School Cash Online system. Parents receive emails regarding items posted online and ongoing order reminders. Items are also listed on the Week at a Glance. Please pay extra attention to the **closing date** of each item. Online payments need to be done in a timely manner to ensure we have accurate accountability of orders and students participating in field trips. Thank you for your attention to this matter.
