## Note for Parents

If your child is late arriving to school please sign him/her into the office (please adhere to the playing of our National Anthem and morning announcements and then proceed to the office). As classes have already begun their instructional day we need to eliminate as many interruptions as possible to classrooms. We need to be respectful to our classmates and teachers therefore we ask that parents say goodbye to their child at the office and a staff member will walk them to their classroom.

The end of the day is also very critical for instructional time as teachers prepare for homework assignments and next day current events. **It is critical that parents avoid early dismissal as much as possible.**

We appreciate your attention to this matter.
