Online Kindergarten Registration Continues

Online kindergarten registration continues for the September 2018-19 school year. Please call the school if you have a child to register. There is a new online process, as well as a package to complete. When you come to register please bring the following information: Birth/Baptismal Certificate and Proof of Separate School Support (Copy of Property Taxes). Students must be 4 years of age by December 31, 2018. You can also register online at www.pvnccdsb.on.ca and click on the Kindergarten Banner, New Online Registration and create an account. If you have any questions please call the school at 745-0332.

Time

The school's answering machine is on 24/7. Please leave a message when your child is going to be **absent** from school. It is a parent's responsibility to call the school everyday when your child (ren) will be absent from school.

Habitual lateness is very **disruptive** to your **child's classmates** and **teacher**. Please be respectful and have your child to school

ON TIME.
